

JAPANTOGO LLC

JAPANTOGO LLC

We go beyond transactions — we build enduring, mutually beneficial partnerships based on trust, integrity, and shared success.

COMPANY OVERVIEW

JAPANTOGO LLC is a dynamic exporter and importer specializing in facilitating seamless international trade between Japan and key markets across Southeast Asia and beyond.

Headquartered in Hakusan, Ishikawa Prefecture, Japan, the company was established on May 9, 2019, to bridge cultural and linguistic gaps for Small and Medium Enterprises (SMEs) seeking sustainable growth through global business transaction.

With deep-rooted connections in Japan, Indonesia, Singapore, Malaysia, and Thailand. JAPANTOGO LLC empowers clients, suppliers, and partners to capitalize on the growing demand for premium Japanese goods and services in Southeast Asia.

The company delivers end-to-end support—from market entry and sourcing to logistics and ongoing relationship management—ensuring successful, long-term partnerships.

BUSINESS SUMMARY

With an extensive network across Japan and Southeast Asia, JAPANTOGO LLC specializes in connecting Japanese manufacturers and SMEs with growing demand of Japanese products in Thailand, Malaysia, Singapore, Indonesia, and beyond. The company has successfully exported to multiple countries including Thailand, Malaysia, Singapore, Germany, Hong Kong, Korea, Taiwan, and the USA, establishing reliable supply chains and long-term partnerships.

JAPANTOGO LLC's core expertise lies in premium Japanese products, particularly FUJI ELECTRIC vending machines and DOGGYMAN brand pet supplies, alongside marketing of other Japanese products.

JAPANTOGO LLC has earned the confidence of major Japanese partners such as FUJI ELECTRIC RETAIL SERVICE, COCA COLA BOTTLER JAPAN, and other industry leaders — consistently delivering quality products and exceptional service to international clients.

For companies seeking a dependable partner to export Japanese excellence or import premium products into Southeast Asia, JAPANTOGO LLC offers the expertise, network, and proven results to drive sustainable international growth.
